# 442

## Fees & Dues

### Fees

Troop 442 charges a nominal fee to join. This fee covers the cost of registering your son with our troop, a subscription to Boy's Life Magazine, a Boy Scout Handbook, and various uniform items. The fee for a boy, new to scouting, to join is \$50.00. **The fee for a Webelo II to transfer into our troop is \$40.00.** If you are transferring to Troop 442 from a different Troop, please check with one of the Committee Members for the transfer fee.

### Dues

#### Scout Dues

Scout Dues are \$3.00 per month. Scouts have an opportunity to pay their scout dues at the beginning of each troop meeting. The scout dues go directly into each Scout's individual dues account and is used to pay for his registration and Boy's Life subscription. We encourage the scouts to use money that he has earned himself by helping out around the house, doing chores, or other small jobs. Please help your scout remember to bring his dues to the meetings. This account must be current in order to advance in rank, as well.

#### Family Dues

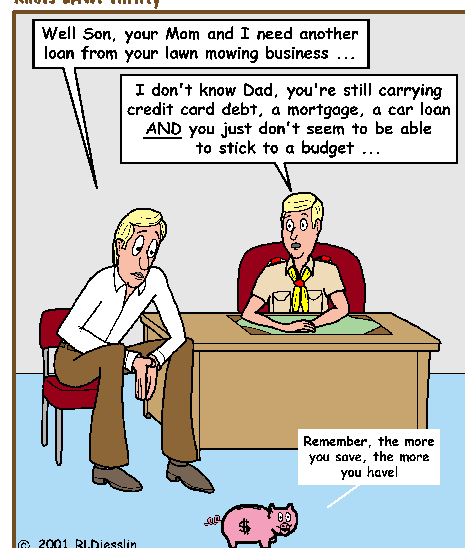

Family Dues are \$40.00 per year from each family, payable in two payments of \$20.00 each in the spring (May) and the fall (October). These funds help to offset many of the incidental costs incurred in running our troop, such as Supplies for merit badge activities, snacks and drinks provided at troop events, maintenance of troop equipment such as tents and cooking gear, and website hosting fees. These dues are per family, not per scout. We recognize that families with multiple scouts have a greater financial burden when it comes to campouts and other expenses, so we have set the dues accordingly.
